

2027 Calendar of Events and Sponsorship Opportunities

SITE SELECTORS GUILD

Effective November 10, 2026

You've Been Asking. Here It Is.

For the first time, the Site Selectors Guild is bringing our full annual calendar of events, registration opportunities, and sponsorship offerings together in one place.

Our goal is simple: make it easier for you to plan ahead, budget intentionally, and choose the Guild opportunities that best fit your organization.

There is no single way to engage with the Guild. Throughout the year, we offer a range of in-person and virtual formats, geographies, levels of access and price points. Some are designed for broad exposure and relationship-building. Others create smaller, more focused opportunities for learning and dialogue.

The right choice depends on what you are trying to accomplish.

As you review the year ahead, consider where your organization wants to learn, connect, and build relationships. The greatest value often comes not from doing everything, but from choosing the right combination of opportunities and engaging with purpose.

We hope this guide gives you a clearer view of what's ahead and helps you build a Guild engagement strategy that works best for you.
